

# OSCARS Newsletter ~ February 2015

**F**ebruary playscheme still

has a few spaces available for most days, except the Tuesday and Wednesday which are fully booked.

**Calling all Parents and Carers**

**We need YOU!**

**Open Evening on Wednesday  
25<sup>th</sup> February at 7.30 in  
Oscars**

"We need your input and thoughts on how we can continue to improve the facilities and Oscars experience for all the children.

Please attend, you will be warmly welcomed".

Hopefully the weather will improve soon and to enhance our outside play we would like a go-cart.

Is there anyone who would be able to build one or donate one that could be refurbished as a project by the children?

**Our new furniture and bean bags** have arrived and we think you will agree they look super. Thank you to the 'Dads' who answered the email to remove our old sofa however we were lucky in also having a response from someone who could make use of it.

The original bean bags were beautifully made by Lisa Smith (a parent and ex Chair of Oscars) back in 2009 and have lasted so well that they will be re-filled so there will be plenty of comfy seating for the children.

# OSCARs Newsletter ~ February 2015

Easter booking forms will be available by the week beginning **23<sup>rd</sup> February**. Plans are already in hand for a trip to Noah's Ark and a Mad Hatters 'Lunch' Party
