## February

### Playscheme

Booking forms are available in OSCARS & online. The theme is 'Cartoon Capers' and includes Pancake day fun and Chinese new year celebrations.

In the case of extreme weather please check the blackboard on our website [www.oscarschildcare.org.uk](http://www.oscarschildcare.org.uk) and/or listen to the message on our answer machine, phone number **01454 250528**.

At this time of year when many children suffer from coughs, colds etc. we would like to draw your attention to our Health and Hygiene policy section 1c which states

'Parents are asked to keep their children at home if they have any infection and to inform Oscars as to the nature of the infection so that other parents can be alerted and to promote careful observation of any child who looks unwell. Parents are asked not to bring into Oscars, any child who has been vomiting and/or diarrhoea, until at least 48 hours after the last attack'.

Also, if a child comes into Oscars after school feeling unwell, or becomes unwell after arrival, if we are unable to get a response from you we will use your emergency contact list to arrange collection of your child.

### Fund raising update:

I'm sure all the recipients appreciated the children's hard work on the Christmas mugs, baubles and tea lights! We also received 2 donations towards our furniture fund so all together we took £303.20! An employer has matched £278 of this so we have a grand total of £581.20 to refurbish the 'Quiet Corner' furniture. **Thank you!**

We would like to extend a warm welcome to our new families and to our new Playworker Karina.

welcome!
