

2012 newsletter

New Year play scheme is almost fully booked. There are a few spaces for Wednesday 2nd and 1 or 2 spaces Friday 4th. The party day was fully booked within 2 weeks so we would like to apologise to those parents who wanted Thursday 3rd but didn't get the spaces they required. If anyone no longer requires their space can they please let Pam know as soon as possible?

We are closed from Monday 24th December to Wednesday 2nd January 2013.

Who knows what the weather will be doing during the winter? In the case of extreme weather can you please check the blackboard on our website www.oscarschildcare.org.uk and listen to the message on our answer machine phone number 01454 250528. [The phone number on previous newsletters has been incorrect]. Whilst checking our website please note that all the Policies & Procedures have been reviewed and are now online. There are 2 new policies to read, EYFS and Food Safety.

Regarding the Late and Uncollected Children policy we will be sending out, in January, a form asking for phone numbers of anyone who could collect your child in case of emergency. This is to avoid calling the police or social services which would be upsetting for the child. This is obviously in a 'worse case' scenario.

We have been donated a super duper re conditioned laptop with dock by National Grid. We have been promised that it is twice as quick as our current PC. This will be wonderful as our PC is so slow, especially in cold weather, so many, many thanks to National Grid!!!

Does anyone have PS2 controllers that they no longer use? We are now down to one so only 1 player games are available to the children! And they do like to play together.

The staff and committee of Oscars wish everyone a very merry Christmas and a happy new year and look forward to seeing you in 2013.

Happy Christmas from OSCARS
